

Community Emergency Response Team South El Monte

CLASSES BEGIN JUNE 2, 2018

C.E.R.T. TRAINING IS COMING TO SOUTH EL MONTE—ENROLL NOW!

The **County of Los Angeles Fire Department** is proud to present this training to the public.

Following a major disaster, police, fire and medical professionals may not be able to fully meet the demand. People will have to rely on each other to meet the immediate life saving and life sustaining needs, *particularly* in isolated neighborhoods that may be cut off from the main roads for a period of time.

The **County of Los Angeles Fire Department's Community Emergency Response Team (C.E.R.T.)** program was developed to provide basic training in safety and life saving skills for the general public. The course curriculum covers the following modules:

Emergency Preparedness, Fire Safety, Emergency Medical Operations Part 1 and 2, Light Search and Rescue Operations, CERT Organization, Disaster Psychology, Terrorism and CERT, Course Review and Disaster Simulation

The training course will be presented as a series of three Saturday classes:

**June 2, 16, and June 23, 2018
9:00 am-5:30 p.m.**

**South El Monte Senior Center
1556 Central Avenue
